

Lizzie Houlton Music Spring Newsletter

Welcome to this update!

Well done to Darlene (pictured below) who passed her Initial exam last term.

All the best to those who are working towards an exam this term. Don't forget that there is a useful sight reading workbook series which you can use in preparation for the sight reading element of the exam:

"Improve Your Sight Reading" by Paul Harris. Pictured is the Grade 1 version of this book.

If you're interested in working towards an exam, please let me know when you're here for a lesson.

Well done to Henry who has been playing the piano at school as pupils come in and out for assembly. It's great to use any opportunity you have to play the piano in front of others and share the music you have learnt.

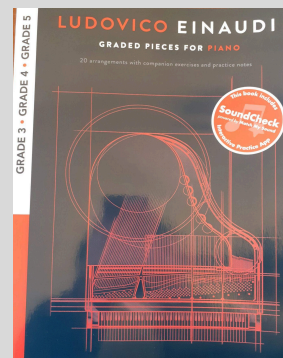

Lessons next term will run from Monday 24th February - Friday 4th April (12pm).

Lizzie

Book recommendation:

Some of you already have the Grade 1/2 version of this Einaudi book. This is the next one in the series, for anyone who has completed most of the pieces in the first book:
